

India's two most credible media houses NDTV Ltd.

India's two most credible media houses NDTV Ltd. and The Hindu have come together to launch Chennai's first and only city-specific English News and Entertainment channel "NDTV HINDU".

Overview

India's two most credible media houses NDTV Ltd. and The Hindu have come together to launch Chennai's first and only city-specific English News and Entertainment channel "NDTV HINDU". "Nonstop News programs for Nonstop Chennai" covers breaking news and current affairs as well as user-friendly information on the hottest eateries, latest gizmos in town and best shopping and hangout destinations in the city. A News channel that tells the news the way it is. No bias. No spin. Every program will reveal a new facet of Chennai and around, offering news that is authentic, credible and entertaining with a young and enthusiastic team of anchors and reporters.

Challenge

NDTV Hindu needed a comprehensive web support and hosting partner for its Grand Launch of New portal site www.ndtv-hindu.com, Peppered with unique news features, covering everything that's exciting about Chennai, the hottest News, the most happening films, eat-outs, shopping, gymming, hi-tech gadgetry, etc.

Solution

ZNetIndia.com was happy to be considered as the preferred hosting partner by Two of India's Leading Networks NDTV & HINDU.
